

WE NEED YOUR HELP

In-kind donations help us further our work and provide vitally needed resources to survivors and their families. Because of donors like you, we are able to assist many individuals that come to us by providing them with donated goods in addition to our services. This is especially true during these unprecedented times. Your donation will help us provide food, toiletries and other needed items to families during this holiday season and throughout the year.

NON-PERISHABLE FOOD GIFT CARDS

In this public health crisis, we support social distancing and other measures to protect the health and safety of our community. We encourage monetary donation and gift cards. These donations allow us to allocate resources where they are most needed to support survivors in our programs. Consider that \$1 can of tuna; by gifting Haven Hills that \$1 directly, we can combine multiple donations to purchase food in bulk providing our clients with items that they request throughout the year.

Please mail your gift cards or donations to:
